**BREAKING
BOUNDARIES**

29th Nov-1st Dec, 2023 | Bangalore Palace

It is my utmost pleasure to extend to you, a warm welcome to Karnataka's flagship event, **Bengaluru Tech Summit 2023!** Bengaluru is India's tech capital and a beacon of innovation and economic prosperity. Our aim is to transcend State and National boundaries and establish strong connections with global technology clusters that will foster collaboration, exchange of knowledge and boundless opportunities for our businesses and talent pool.

BTS2023 with the focal theme 'Breaking Boundaries', provides a unique opportunity to witness ground-breaking innovations, exchange of ideas, and forge valuable partnerships. I encourage the Indian and Global Tech Community to join us at the **Bengaluru Tech Summit 2023** and contribute in accelerating this transformative journey.

Shri Siddaramaiah

Hon'ble Chief Minister,
Government of Karnataka

I am delighted to invite you to the **Bengaluru Tech Summit 2023**, being hosted in Bengaluru—a bustling city recognised for its innovation, culture and dynamism. Our remarkable talent pool, conducive ecosystem, and pro-business policies make Karnataka the top investment destination.

No wonder that the city has emerged as the global tech hub, fostering cutting-edge advancements and entrepreneurial spirit. Join us at BTS 2023, and explore enormous opportunities of collaboration and furthering your business goals.

Shri D.K. Shivakumar

Hon'ble Deputy Chief Minister,
Government of Karnataka

We take immense pride in highlighting that the State of Karnataka has consistently maintained a pioneering position in cutting-edge research, innovation and technology. This is possible due to close collaboration and interaction with esteemed Industry Stakeholders, Research Fraternity and by fostering the Start-up Ecosystem.

Over the years we have established a strong bond with our Global Innovation Alliance Partner Countries. Our shared objective is to amplify the reputation of Brand Bengaluru, and in pursuit of this goal, I invite you to be a part of the 26th **Bengaluru Tech Summit** the event that has emerged as the unique forum for thought leadership, ideas exchange and business for the entire tech fraternity. Looking forward to meet you in person.

Shri Priyank Kharge

Minister of Rural Development and Panchayat Raj, IT & Bt,
Government of Karnataka

GLOBAL INNOVATION ALLIANCE (GIA)

The GIA Conference Track at BTS over the years has become a major highlight of the Conference programme. 16 conference sessions each curated by the GIA Partner Nations will be addressed by leading Industry Captains, Researchers and Policy makers as well as startups representing the respective country. They will unfold exciting possibilities of cooperation and collaboration in various streams of technologies and businesses for common good. It will be a wonderful opportunity for the delegates to get insights into the focus of each country and opportunities ahead.

SPECIAL PROGRAMMES

INDIA-USA TECH CONCLAVE

The India-USA Tech Conclave is curated in association with US India Business Council (USIBC). The two-day conclave will bring the tech leaders of two nations on one platform through conference sessions and structured meetings focusing on cutting edge areas of tech collaboration, investments and regulatory challenges.

INDIA INNOVATION ALLIANCE ZONE

IIA aims to connect innovation clusters across Indian States, promoting co-creation and co-invention. To create a unified India Innovation Story and an IIA Pavilion at Exhibition will showcase promising startups from across the country and their technologies.

CEO CONCLAVE

The CEO Conclave brings together accomplished Indian CEOs, bureaucrats, policymakers, and leaders from associations like NASSCOM, IESA, ABAI, ELCIA and ABLE. This exclusive gathering aims to discuss emerging technologies and their vast potential for a positive societal impact.

STPI IT EXPORT AWARDS

STPI's prestigious IT export awards, established two decades ago, recognize IT & ITES companies with outstanding Export performance and contribution in ten categories evaluated by a distinguished jury panel.

BENGALURU STARTUP CONCLAVE

This will be the most exciting evening where young, bold and visionary leaders will come together to celebrate their achievements, share secrets of their success, talk about their next dreams and inspire many more young entrepreneurs to take the world by the storm.

SMART BIO AWARDS

Smart Bio Awards are instituted in association with ABLE with an aim to recognize emerging biotechnology firms making impact in their chosen fields like Biopharma, Services, Agribiotech, Medtech etc.

NATIONAL RURAL IT QUIZ

The National Rural IT Quiz, conducted in association with TCS, has been a popular program for over two decades, enhancing IT awareness among students at grassroots level, and has a reach of over 18 million students.

NATIONAL BIO QUIZ

Bio Quiz is aimed at igniting students' interest in the world of biotechnology and the vast potential this stream of science offers to them, thereby attracting more students to pursue Biotechnology as their chosen field.

B2B MEETINGS

The InterlinX partnering tool enables effortless search of potential partners amongst delegates, enabling one on one meetings and dialogue fostering tie-ups and collaborations.

BIO POSTER - WALKWAY OF DISCOVERY

This is a platform for young researchers to showcase their breakthrough ideas in the field of Biopharma, AgriTech, Medtech and Services sectors. It offers an opportunity to connect with influential delegates, gain global recognition and compete for prestigious prizes.

BEYOND BENGALURU

Beyond Bengaluru, is an important initiative of the Government of Karnataka aimed at promoting the emerging innovation clusters like Hubballi-Dharwad-Belagavi, Kalaburagi, Mysuru, and Mangaluru. BTS 2023 is a great platform for these clusters to showcase their ecosystem, core competencies and position themselves as the most promising investment destinations.
